Victory Health Partners Presents The
13th Annual Hope For Healing Celebration
Making Our Patients | The Love of Jesus | The Need for Comprehensive Healthcare KNOWN

AN EVENING WITH TIM TEBOW
To Further The Mission of Victory Health Partners
Tuesday, April 30, 2024 | Mobile Convention Center

OUR MISSION

As a witness for Jesus Christ, Victory Health Partners exist to minister to the physical, emotional, and spiritual needs of the medically under-served by providing affordable, quality healthcare services. We recognize that God is the True Healer and the source of all. We seek to know Jesus Christ, His Son, and to make Him **KNOWN**.

Victory Health Partners is a 501(c)(3) non-profit healthcare organization established to provide a continuum of affordable quality care for the low-income uninsured population of the Gulf Coast.

TIM TEBOW, 2024 HOPE FOR HEALING KEYNOTE SPEAKER

Tim Tebow, a celebrated athlete, sports commentator, author, philanthropist and motivational speaker, is renowned for not only his dynamic career on and off the field, but also for his bold faith. As a former quarterback for the University of Florida, he led the Gators to two national championships and won the Heisman Trophy. As a first-round NFL draft pick, he played with the Denver Broncos, New York Jets, and New England Patriots and later pursued minor league baseball with the New York Mets. He now serves as a college football analyst for the SEC Network and was inducted into the College Football Hall of Fame in 2023.

Tebow's influence extends far beyond sports. As a five-time New York Times Bestselling Author, his recent work includes "A Daily Devotional: Mission Possible" released in 2022. Despite his successes, Tebow is most passionate about his work with The Tim Tebow Foundation. Notable initiatives include Night to Shine, Tebow CURE Hospital, and support for human trafficking survivors.

Residing in Jacksonville, Florida, with his wife, Demi-Leigh, and their three dogs, Tebow's commitment to making a positive impact is evident through his tireless work with his foundation and his role as an inspirational leader.

I believe that each one of us has not only been saved from something, but that we have also been saved for something."

- Tim Tebow

A FRONT LINE REPORT ON PHYSICAL HEALTH

By Dr. Phillip Almalouf, *Pulmonologist, Assistant Professor of Internal Medicine*

As a physician specializing in pulmonary critical care medicine at USA Health, I have had the privilege of volunteering with Victory Health Partners since 2016. Over the years we have:

- Expanded Pulmonary Clinic to **200** clinics annually for essential respiratory care.
- Focused on Early Diagnosis and Intervention for lung nodules to detect cancer early.
- Developed Home Sleep Services with the provision of 3,000 CPap machines provided to patients for improved quality of life.
- Provided Comprehensive Cancer Care through a collaboration with USA Health Mitchell Cancer Institute, offering chemotherapy, radiation therapy, and immunotherapy.
- Provided Tailored Treatments and Medications for COPD, asthma, and other respiratory ailments.

CARE BEYOND THE EXAMINATION ROOM

By Lisa Howard, *Social Work*

We understand the multitude of social determinants affecting our patients' overall wellness and a team of social work volunteers plays a crucial role in walking along side our patients on their health journey. When facing difficult diagnoses, or preparing for surgeries, or managing chronic diseases, patients also contend with family responsibilities, bills, and various other barriers impacting their health and wellness.

Our volunteer social workers provide invaluable support by offering education, advocacy, resources, and ongoing assistance to patients, caregivers, and families including the most vulnerable and under served throughout their medical journey transforming hope into reality.

Victory was able to send me to get my MRIs. A cancerous mass was discovered hidden in my main arteries, and the recommendation was to amputate. I didn't have to worry about anything because Victory was right there.

TRANSPARENCY AND STEWARDSHIP

Transparency and strong stewardship of our donors' generosity has always been important to us – and we know it is important to you, too. It is why we strive to make the greatest impact with your transformational donations. Your impact stretches beyond anything we could have ever imagined.

THERE ARE MANY WAYS TO PARTNER WITH US

For every \$1 donated, \$70 worth of compassionate and comprehensive healthcare is extended to each patient in need. Your compassion heals cancer, provides peace from depression, and removes barriers for patients to gain life-restorative healthcare.

- **YOUR GIFT OF \$100** supports a single parent's diabetes treatment and family financial stability.
- **YOUR GIFT OF \$250** provides free mental health counseling for Victory patients.
- **YOUR GIFT OF \$500** covers Hepatitis C treatment, saving lives at no cost to patients.
- **YOUR GIFT OF \$1,000** grants access to dental care, including cleanings, extractions and fillings by volunteer dentists.
- **YOUR GIFT OF \$2,500** offers healthy living resources and nutritious food for disease prevention.
- **YOUR GIFT OF \$5,000** funds life-saving surgeries through the William M. Lightfoot, M.D. Surgical Patient Assistance Fund.
- **YOUR TIME AND TALENTS** as a volunteer enables Victory Health Partners to expand healthcare access and provide vital resources, maximizing our impact on the community.
- **YOUR VOICE** supports Victory Health Partners by sharing about our compassionate healthcare in places where we aren't physically present, helping to increase awareness. Your voice could reach a friend, coworker, family member, church member, or someone at a speaking engagement who has delayed their healthcare due to lack health insurance.

OUR FRONTLINE HEALTHCARE PARTNERS

Our partners in the medical community are essential to fulfilling our patients' comprehensive healthcare needs. We are thankful for the 160 referring specialists, who partner with us to provide healthcare and administer treatment to Victory patients directly within their practices.

ADDRESSING THE MENTAL HEALTH NEED

The demand for affordable and quality mental health services within our community and nationwide continues to increase. In 2022, a key development in addressing this need for our patients was the collaboration with psychiatrist Dr. Carlos Diaz, who generously began to partner with Victory to see patients at no cost. During 2023, he delivered direct care to patients and also worked closely with Victory's medical team, lending his specialized knowledge as needed. Since January 2024, 549 counseling sessions occurred with an average of 155 per month. This collaboration highlighted the critical role that mental health experts, including therapists, counselors, and psychiatrists, play in our healthcare model and in supporting uninsured adults.

WILLIAM M. LIGHTFOOT PATIENT SURGICAL FUND: IMPACT OF PARTNERSHIPS

Victory Health Partners continued to tackle the challenges faced by uninsured patients in accessing surgical care and diagnostic procedures. The William M. Lightfoot Surgery Fund, established in 2021, not only facilitated surgeries but also covered vital diagnostic tests, including those for diagnosing cancer. This support ensured timely and effective treatments, highlighting the importance of early diagnosis.

To highlight the impact of the surgery fund and its partners, a diagnostic lung bronchoscopy was performed for a patient to determine if the patient had lung cancer. The original

patient bill for the procedure was **\$42,787**. With Victory's partnerships with the hospital, the patient bill was reduced to \$967 and was funded through the William M. Lightfoot, M.D. Patient Assistance Surgical Fund. The Surgical fund also assists with patients utilities, rent, groceries and other support care while they recover from their surgeries.

Our partners of the Surgical Fund are Infirmary Health, USA Health, Spring Hill Memorial Hospital, Bras for a Cause, Saad's Healthcare, Alabama Orthopaedic Clinic, KGB Orthopedics, LLC, Device Nation, Mitchell Cancer Institute and Southern Cancer Center.

BRIDGING THE GAP

\$8.9 Million in Hepatitis C medical treatment receive at no cost, resulting in healing.

**SINGLE MISSION.
MANY PARTNERS.
BOUNDLESS POSSIBILITIES.**

Your dedicated support not only offers our patients a beacon of hope but also empowers patients journey towards healing and wellness.
